

## Department of Chemical & Biomolecular Engineering: Rotation Preference Form

Submission Deadline: [August 29<sup>th</sup>](#)

### Rotation Labs

Each graduate student must turn in their preferred list lab rotations after presentations by the faculty members. Faculty members may also provide documents in the [Google Drive folder](#) for students to further investigate research options. The list should be ranked by preference with the first being the top choice. Due to high demand projects, we cannot guarantee your top three choices will be able to be able to be assigned so please list 5 faculty. By October 15<sup>th</sup> you can request a preferred lab to do your last rotation, if this changed from your first selection in August. This change needs to be approved by the faculty member of interest. Please email this list to Amy ([ajkarl@umd.edu](mailto:ajkarl@umd.edu)) by **5pm on August 29<sup>th</sup>**.
